

THE LBS STEWARDSHIP:

For those desiring a higher level of participation...

Be a part of the continuing history of America's oldest working boat shop! Your membership and participation is crucial to sustaining Lowell's through its third century of operation.

Established in 1793 and cited as the birthplace of the fishing dory, Lowell's Boat Shop is a non-profit working museum and National Landmark that is dedicated to preserving and perpetuating the art and craft of wooden boat building.

Experience the Lowell tradition:
